PROCEDURES FOR ACCEPTANCE AND DELIVERY OF SECURITIES

The following instructions regarding registration and delivery of securities:

To Deliver Electronically

It is preferable that securities be handled within the context of the electronic transfer system. To send securities electronically they must be set up electronically at the original source. The broker or transfer agent would make the electronic transfer to:

Account #: 467-17419-18

ScotiaMcLeod

CAD Shares: 5011

USD Shares:

If DTC Eligible: 5011

If Fed Eligible:

Please also include the following information:

- Date of transfer
- Name of security
- Number of shares to be transferred
- ESIR # (CUSIP)

This information can be found on the Donation of Securities Approval Form that should have already been completed by the donor's broker, agent or custodian who effected the transfer.
