

Why I choose to be a Monthly Mitzvah Maker.

Jewish Family and Child Service's monthly donors, *Monthly Mitzvah Makers*, provide the agency with a steady and ongoing stream of income to maintain its current programs and services, while responding to the ever-changing needs of our community. The Monthly Mitzvah Maker program provides donors with an alternative way to make an impactful gift.

"Every donation is valuable, but I wanted to provide support throughout the year so that JF&CS has reliable year-round funding."

Jewish Family and Child Service was just a name to Dayna Lepofsky until she attended the Dining at the Diamond event in 2018 and learned about the wide breadth of services JF&CS offers. Dayna heard firsthand from students about their positive experiences at the Jerome D. Diamond Adolescent Centre, and this motivated her to understand more about the agency and discover that JF&CS is there for everyone from cradle to grave. Dayna shared that JF&CS' client-centred approach demonstrates to her how in touch the agency is with the community's needs.

Dayna was inspired to become a Monthly Mitzvah Maker. "Every donation is valuable, but I wanted to provide support throughout the year so that JF&CS has reliable year-round funding."

In addition to the range of programs and services offered, Dayna would like others to know about the diversity of people supported, noting that the agency welcomes all individuals and families from within the Jewish community, as well as from all other communities.
